

Fairfield County Mayors Panel:

*A Discussion with the Mayors from
Stamford, Norwalk, and Westport*

Tuesday, January 14, 2020
Stamford Marriott
243 Tresser Blvd
11:30am-1:30pm

Their goal is to attract new and innovative companies to lower Fairfield County by showcasing the benefits of their cities, including more affordable office space, lower tax rates, a highly educated workforce, gigabit internet, and greater access to capital. With employers looking for an escape from pricey offices and homes in Manhattan and suburban Westchester County, the Mayors will discuss numerous benefits of living and working in Connecticut: its schools, affordable housing, even its state parks.

The communities are working together to show prospective businesses that if they can't find everything they're looking for in one community, it can be found elsewhere in Fairfield County.
